

Berkeley College Workshop Series

Complement your curriculum with exciting presentations that can be delivered in class or virtually.

Your STUDENTS Our PRESENTATIONS

Be branded

Empower your students to build and communicate their personal brand. This workshop offers your classes insight to author an honest and genuine account, which can be used for their college essay, brag sheet, or personal statement. Communication and interviewing skills, as well as business etiquette will be emphasized. Your students will learn the skills needed to project their vision, passion, and purpose in situations where it matters most.

Be recognized

This workshop will define and identify new found strengths and provide valuable insight for high school seniors who are exploring their college and career options. The presentation recognizes the successes and challenges students are facing related to their social, emotional, mental, and physical well-being and will help them embrace the changes in the new world we are all living in today.

Be driven

Along life's journey there are specific destinations. For a student, it could be a college acceptance or a new start after graduation. This presentation illustrates how obstacles can grow into opportunities. Personality assessments and a planning timeline will assist students as they identify which path to follow.

Be
fiscally fit

Be fiscally fit

As the United States economy is faced with current challenges, this workshop will offer tools to help students make decisions as a buyer, worker, seller, and civilian. It will provide techniques to enable us to take charge of our lives. Topics such as economics, budgeting, and credit will be discussed in an interactive presentation.

Be
creative

Design Your Career
Fashion | Graphic Design | Interior Design

Be creative

Explore the creative fields of Fashion, Graphic Design, and Interior Design; three presentations in one. What are the different attributes and qualities essential in these industries? Students will learn about career opportunities, trends, color, visual communication, and functionality. Choose one or all three!

Be
justified

Be justified

Students will examine Legal Studies, Justice Studies, and National Security, the hallmarks of our three, "Leagues of Justice." This interactive workshop connects all of the components outlining personal attributes and skills needed to be effective in a variety of careers such as homeland security, cybercrime, social welfare, police studies, social justice, and investigation and security.

We have career-focused presentations available

There is no charge for these presentations
