Achievement Award

Incoming full-time and part-time students enrolled in a degree program with a 2.50 grade point average (GPA) or higher will be considered for an award. Full-time students can receive up to \$8,000 per standard academic year, based on GPA and date of application submission or readmitting effective date. Part-time students can receive up to 15% off tuition per standard academic year based on GPA and credit load. Students must maintain cumulative Berkeley College GPA of 2.5 or higher at the time award renewal takes place, which generally occurs every two semesters.

Deadline date for each term:

Winter 2024 term completed before October 1, 2023

Spring 2024 term completed before February 1, 2024

Honors Scholarship

2024 high school graduates who are accepted to the Honors Program may receive up to a half-tuition scholarship based on their high school GPA of 3.50 or higher and review of transcript by the Honors Committee. Students must meet all federal and state grant application deadlines each year and receive a valid Institutional Student Information Report (ISIR). (If a student fails to meet the state deadlines and is now not eligible where they would have ordinarily received the award, calculation of the honors award will be less that amount.)

Students must maintain full-time, continuous, consecutive term enrollment and maintain a cumulative Berkeley College GPA of 3.50 or higher at the end of each award year to retain their scholarship. Students who initially enroll in an Associate's degree program and continue into a Bachelor's degree program may continue to renew until completion of the Bachelor's degree. Deadline to apply July 1, 2024.
